

# SCHOOL CLOSING ALERT!

In the event that we have severe winter weather Grow & Learn only closes if a State of Emergency is declared or if the weather is such that staff cannot report to the center.

If the center closes early, families will be contacted directly. Please ensure that your file contains your current contact phone number.

We will use the following to notify families of school closings due to severe weather:

## **GROW & LEARN VOICE MAIL**

A message will be placed on the Grow & Learn Voicemail System if we are closed, opening late, or closing early.
